### **Event: Student leaders address future of US-Japan-Korea relations**

*Symposium bridges gap between current day experts and the next generation,  
offers recommendations for future administrations*

WASHINGTON, D.C. — Future leaders from the U.S., Japan, and Korea will confront pressing issues between their nations while collaborating with senior experts at a January 5 symposium at the National Press Club.

Please join International Student Conferences and Sasakawa USA as future leaders and current experts voice their ideas on topics including recommendations for future administrations, security and human rights issues in North Korea, women in leadership, and the overall future direction of trilateral cooperation.

#### **About Sasakawa Peace Foundation USA**

Sasakawa Peace Foundation USA is an independent American non-profit, non-partisan institution devoted to research, analysis, and better understanding of the U.S.-Japan relationship. Through research and education programs, Sasakawa USA facilitates people-to-people exchange and dialogue between American and Japanese policymakers, influential citizens, and the broader public.

#### **About International Student Conferences**

[International Student Conferences \(ISC\)](#) is a non-profit organization incorporated in Washington, DC. It facilitates two academic and cultural exchange programs organized by university students in the U.S., Japan, and Korea: the [Korea-America Student Conference \(KASC\)](#) and the [Japan-America Student Conference \(JASC\)](#). Beginning in 1934, JASC is the first and oldest exchange between the two countries that is conceived and carried out by university students. Patterned after the JASC model of a student-run Conference, the first KASC launched in 2008.
