Sasakawa Peace Foundation USA Launched Newly Designed Website

WASHINGTON, D.C.— Sasakawa Peace Foundation USA (Sasakawa USA) is pleased to announce the launch of our newly designed website, <https://spfusa.org>.

Since Sasakawa USA's founding in 1990, we have played a critical role in strengthening the U.S.-Japan diplomatic and security alliance. Sasakawa USA's website serves as a showcase of our renewed and revitalized activities, under the leadership of Dr. Satohiro Akimoto, Chairman and President; Mr. James L. Schoff, Senior Director of the US-Japan NEXT Alliance Initiative; and Ms. Shanti Shoji, Director of Programs. Our activities are dedicated to deepening the understanding of and strengthening the relationship between the U.S. and Japan for the benefit of a free and open international community. The new website has a fresh, clean look that highlights the impactful work we do through:

- Policy Engagement & Research
- Outreach & Exchange
- Congressional Engagement
- The US-Japan NEXT Alliance Initiative

Visitors can easily find Sasakawa USA programs from the homepage, navigate smoothly between program pages, and access our leading-edge policy research and analysis on critical issues shaping the U.S.-Japan alliance and the Indo-Pacific region. We have also added new content about our flagship US-Japan NEXT Alliance Initiative and the U.S.-Japan Integrated Security Dialogue.
